

# 3<sup>rd</sup> Annual Nantucket Family Adventure

***Hosted by: Maria Mitchell Association, Nantucket Conservation Foundation, Mass Audubon, Nantucket Land Council, UMass Boston Nantucket Field Station, Linda Loring Nature Foundation and Strong Wings Adventure School, The Trustees of Reservations***

The Nantucket Family Adventure is a 6-week, self-propelled exploration of the unique habitats of Nantucket. Guided and self-guided activities, scavenger hunts, puzzles, and more all contribute to the family fun during this free, multi-week event. Use the free NFA guidebook to track your progress and enjoy the places you visit. Prizes are available for the families that participate in the most activities, and for all those who attend the end event!

**Kickoff is Sunday, May 9**  
At the Linda Loring Nature Foundation

## ***How it works***

- Families can pick up a registration form at the Maria Mitchell Association. Forms can also be downloaded at [www.mmo.org](http://www.mmo.org). Please return all forms to the ***Maria Mitchell Association, Attn: Nantucket Family Adventure, 4 Vestal Street Nantucket, MA 02554.***
- Each team must consist of at least one adult age 18 or older and one child under age 18.
- Families are invited to a kick-off event at the ***Linda Loring Nature Foundation on May 9.*** In addition to participating in outdoor activities for

all ages, families will be provided with all materials needed for the competition. Don't miss the ***Final Event on June 13 at Strong Wings.***

- Each week of the competition features either a “guided” event or “self-guided” event. Check your passport or the website for dates, times and descriptions of the guided events. A self-guided event allows teams to visit the designated park anytime during the 6-week event and engage in an activity on their own such as letterboxing or a scavenger hunt.
- Each team will receive a passport which will be used to track teams' participation in the competition. When teams check-in at each guided event, they are awarded points for their attendance. Teams must provide proof of completion of self-guided park activities (e.g., a letterbox stamp or photograph).
- Throughout the competition, teams are encouraged to send photos to be placed on our website about their experience. Photos or comments can be emailed to [info@mmo.org](mailto:info@mmo.org).
- Teams with the highest points-those that have attended the most events-become semi-finalists. Semi-finalists will then compete in Nature Jeopardy on ***June 13<sup>st</sup>*** to determine prize winners.
- There will be prizes awarded to the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Place families, and prizes for all who attend the final event.
